SUMMARY

To secure a challenging position in a reputable organization to expand my learning knowledge and skills. Secure a responsible career opportunity to fully utilize my training and skills while making a significant contribution to the success of the company.

PROJECTS

Devloping e portal for medical Students

- Students can select their classrooms from a list of available options.
- A leave application system will allow students to apply for leave online.
- Students can download their hall tickets directly from the portal.
- Teachers will have the ability to assign classrooms to students based on their schedules.
- The portal will enable students to monitor their attendance records.
- Students can check their marks and academic performance through the portal.
- Teachers can check student information.
- Development providing a better experience for both students and teachers.
- This portal will simplify and organize school tasks, making it easier for students to manage their studies and for teachers to handle their duties. It will create a smoother, good experience for everyone involved.
